(Naperville, IL) - The excitement is building and creative juices are flowing as children and their parents imagine their upcoming Halloween adventures. Soon princesses, superheroes, butterflies, and cowboys will overwhelm the sidewalks in downtown Naperville as the delightful costumed characters fill their festive bags with special treats.

Once again **Main Street Promenade, Washington Corners, Naperville Dental Specialists, Innovative Orthodontic Centers**, and other retailers and restaurants working with the **Downtown Naperville Alliance** are sponsoring a Sunday afternoon of Halloween fun for children and their families. Even moms and dads come in disguise!

From noon until **3:00 p.m. on Sunday, October 28**, Main Street Promenade will be bustling with trick-or-treaters wandering from shop to shop, gathering candy for their goody bags. Frankenstein on stilts may surprise these little goblins as they guess the number of Gummy Worms in a jar, have their photos taken in a free ShutterBox photo booth, or create a special treasure at the arts and crafts table. The Trick or Treat Trolley will give everyone who dares a fun-filled ride through the downtown.

Main Street Promenade, a popular shopping destination, is located at 55 S. Main Street in downtown Naperville.
