DR. MANAL IBRAHIM-LAVACCA

INNOVATIVE ORTHODONTIC CENTERS

Dr. Manal Ibrahim is an American board-certified orthodontist, founder of Innovative Orthodontic Centers and a faculty member in the Department of Orthodontics at the University of Illinois at Chicago. At her practice, she's a top SureSmile braces provider and the only Diamond+ Top 1% Invisalign provider in Naperville. In fact, she's transformed more than 4,000 smiles with Invisalign.

Dr. Ibrahim relies on her dual training in prosthodontics and orthodontics, an outside-of-the-box approach, and state-

of-the-art technology to create stunning smiles. Most recently, she pioneered a breakthrough in orthodontics with her non-surgical camouflage treatment as an alternative to jaw surgery. Her love for the community and commitment to being a leader in comfortable, accelerated orthodontics shows—Innovative Orthodontic Centers has been voted "Best Dentist" by *Naperville* magazine for 14 consecutive years!
